

# On the Trail of the Tritoness: Megara and the Megarian Bowl

a webinar by Dr. Susan Rotroff

Wednesday February 24  
at 5pm GMT

presented by IARPotHP

Some of the first moldmade bowls to be published came from Megara, hence the now largely abandoned term “Megarian bowls” for these vessels. This lecture examines the nature of these early finds and other bowls from Megara and investigates their relationship to the Athenian industry.
